

## PECB Certified ISO 20121 Foundation

Become acquainted with the best practices of Event Sustainability Management Systems (ESMS) based on ISO 20121

### Why should you attend?

ISO 20121 Foundation training enables you to learn the basic elements to implement and manage an Event Sustainability Management System (ESMS) as specified in ISO 20121. During this training course, you will be able to understand the different modules of an ESMS, including ESMS policy, procedures, performance measurements, management commitment, internal audit, management review and continual improvement.

After completing this course, you can sit for the exam and apply for a “PECB Certified ISO 20121 Foundation” credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.
